

# Prairie Mountain Wineries Poker Run

*First annual event offers a week-long window to cruise some vineyards, taste some wine and support a worthy cause*

The newest addition to the weekend of events sponsored by the Function 4 Junction is a unique type of Poker Run. In this version, drivers will visit five different wineries in the foothills of the Coast Range and try to fill out a winning stud poker hand by drawing one card at each stop.

Players will need a stamp card and a designated driver for this event, one who can avoid the temptations of the grape for at least one afternoon. All of the proceeds from the raffle will go towards the F4J Scholarship Fund that helps local students pursue a higher education (see pg. 12).

Drivers and players can visit any of the participating Prairie Mountain Wineries as early as Saturday, May 26 and right up through the final day of the event on Sunday, June 3. At every stop, draw a playing card from their deck and have your draw stamped on your card. Do that once at each winery and if your final hand is a high one, it could win a cash prize.

Stamp cards will be sold for \$20 and are available at Pfeiffer Winery and Bennett Vineyards, or in Junction City at The Courtyard on Sixth or at McKinley Printing on 5th Ave. Stamp cards will be available any business day after April 14.

The grand prize is \$500 for the card with the highest poker hand. The next two highest hands will receive \$200 and \$100 respectively. There will also be a special prize for the lowest hand submitted.

Same-day registration will also be available from 8am until noon on Sunday in the parking lot behind the Junction City Library on Greenwood St. between 7th Ave. and 8th Ave. Winning hands will be announced at 3pm. All winners must be present to claim their prize.
